

SONODUR 3 - DUPLEX CHARGING STATION

Charging station with two charging slots for single or dual charging of SONODUR 3 devices

Easy and fast charging for smooth operation. The user-friendly charging station can charge up to two SONODUR 3 devices simultaneously without having to open the splash guard. The contacts for fast and direct charging with the charging station meet IP 65 standard.

Another advantage is the faster charging of a single SONODUR 3 device by the more powerful charger. The charger can also be permanently mounted on a base or wall. The charging station includes a charger.

YOUR ADVANTAGES AT A GLANCE
